**DIRECTIONS TO SCARBOROUGH HIGH SCHOOL:**

From MAINE TURNPIKE: Take Scarborough/Scarborough Downs Exit 42 off Maine Turnpike (I 95). As you pass through the tollbooth you will arrive at a traffic light. Go straight through the light (on to Haigis Parkway) until you reach the next light. This is the intersection of Route One. Take a left. At the 3<sup>rd</sup> traffic light the Scarborough Town Offices are on your left, next to Town & County Credit Union. This is the Municipal Drive, and is the entrance to Scarborough High School. Turn left, and follow the road down the hill and to the right. There is a loop road for "buses only" and the students can be dropped off right at the front entrance. Buses may drop students at the main entrance and access the parking lot, which is located right near the entrance.

**Our administration has asked that all students travel together with their school and not bring their own cars.**
